Norton's Main Scoop Cookies Policy

Our website and associated landing pages (collectively, "our website") uses cookies to distinguish you from other website users. We and our service providers use cookies and other tracking mechanisms to track information about your use of our Site or Services. We or our service providers may combine this information with other personal information we collect from you. This helps us provide you with a good experience when you use our website and also allows us to improve our website. This cookie policy provides you with clear information about the cookies and similar technologies we use, and our purposes for using them.

The information generated by the cookie about your use of our website may be transmitted to and stored by us or by third party providers on servers in the United States, or other countries whose laws do not protect privacy at a level equivalent to the one applied in the European Union.

Your Consent

By continuing to use our website, you are agreeing to the placement of cookies on your computer by us and our third-party service providers. Please read this Cookie Policy carefully for details about why we use cookies and the information they collect from and about you.

If you do not wish to accept cookies in connection with your use of our website, you must stop using our website, disable cookies via your browser settings, or disable cookies individually. Please note that disabling cookies will affect the functionality of our website and may prevent you from being able to access certain features on our website.

If you wish to withdraw your consent at any time, you will need to delete your cookies using your internet browser settings, and disable cookies. Please note that disabling cookies will affect the functionality of our website, and may prevent you from being able to access certain features on our website.

For further information about controlling or disabling cookies, please visit: https://www.cookiesandyou.com/

Cookies

We or our service providers may use cookies to track visitor activity on our Site. A cookie is a text file that a website transfers to your computer's hard drive for record-keeping purposes. We or our service providers may use cookies to track user activities on our Site, such as the pages visited, and time spent on our Site.

Generally, our website uses cookies to distinguish you from other users. This helps us to provide you with a good experience when you utilize our website and also allows us to improve our website.

The cookies used on our website are categorized as follows:

Strictly necessary

Performance

Functionality

'Strictly Necessary' cookies let you move around our website and use essential features like secure areas. Without these cookies, we cannot provide the requested services.

We use these Strictly Necessary cookies to:

Identify you as being logged in to our website and to authenticate you

Make sure you connect to the right service on our website when we make any changes to the way the platform works

For security purposes

Make sure you connect to the right service on our website when we make any changes to the way the Website works.

Accepting these cookies is a condition of using our website, so if you prevent these cookies we can't guarantee how our website or the security on our website will perform during your visit.

'Performance' cookies collect information about how you use our website, e.g. which pages you visit, and if you experience any errors. These cookies are only used to help us improve how our website works, understand what interests our users, and measure how users navigate our website.

We use performance cookies to:

Carry out web analytics: Provide statistics on how our website is used

Perform affiliate tracking: Provide feedback to affiliated entities that one of our visitors also visited their website

Obtain data on the number of users of the Website that have viewed a training module

Help us improve our website by measuring any errors that occur

Test different designs for our website

Some of our performance cookies are managed for us by third parties. We do not allow the third party to use the cookies for any purpose other than those listed above.

By using our website, or expressing your consent as otherwise required by applicable law, you accept the use of 'Performance' cookies. If you prevent cookies, we cannot guarantee how our website will perform for you.

'Functionality' cookies are used to provide services or to remember settings to improve your visit.

We use 'Functionality' cookies for such purposes as:

Remember settings you've applied such as layout, text size, language, preferences and colors

Remember if we've already asked you if you want to fill in a survey

Remember if you have engaged with a particular component or product list on our website so that we don't show it again

Show you when you're logged in to our website

To provide and show embedded video content

Some of these cookies are managed for us by third parties. We do not allow the third party to use the cookies for any purpose other than those listed above.

Controlling Cookies

Most browsers allow users to refuse cookies. The Help portion of the toolbar on most browsers will tell you how to prevent your computer from accepting new cookies, how to have the browser notify you when you receive a new cookie, or how to disable cookies altogether. Visitors to our Site who disable cookies may not be able to browse certain areas of the Site.

Some, but not all, cookies provide us with personal information, for example where you enter details into a form on our website. Cookies may also provide us with information about your IP address (which may be personal information in certain jurisdictions), the duration of your browsing session, your browser type and your operating system.

We use cookies and the information they collect for the following reasons:

to remember browsing preferences such as local language;

to remember details about your previous visits to our website in order to personalize and improve your browsing experience;

to administer and organize our website;

to analyze the use of our website in order to make improvements; and

to compile statistics and understand (in general, aggregated terms) who uses our website.

For more information about cookies in general please visit: https://www.cookiesandyou.com/

Questions about the Website Cookie Policy, Privacy Policy, or Terms of Use should be sent to us at kim@gotonorton.com.
